GUBERNATORIAL CANDIDATE,
APPOINTMENT AND REINFOR-
CING FOR PUBLIC SERVICE.

NASHVILLE, April 16, 1859.—The undersigned,
at the request of Gov. Harris, of Col-
umbia, have agreed upon the following
names and places for addressing the people in
the Gubernatorial Canvass. Gov. Harris is to
open on the first day, and then they are to open
and close alternately. No other application
is to be made for the canvass, and they
are to speak under the usual rules of
canvass of their addresses.

ANDREW EWING,
NELLIE BROWN,
John Cobb, a young man of 15, was hung at
Atlanta, Ga., lately, for shooting a wealthy
man, who had paid him \$100 to shoot him.
He was condemned and sentenced last year, but the
feeling in his favor was so strong that Gov.
Brown refused to require his execution.

Gen. Tom Thumb arrived at his home in
Briarpatch on Saturday. He means to stay at
home.

John Cobb, a young man of 15, was hung at
Atlanta, Ga., lately, for shooting a wealthy
man, who had paid him \$100 to shoot him.
He was condemned and sentenced last year, but the
feeling in his favor was so strong that Gov.
Brown refused to require his execution.

At a convention in the neighborhood of
Nashville, the following resolution was passed: "The
State of Mexico is well prepared. It was
accompanied by a canary, first at the head of five
crackers let loose in a barrel, so as to give an
effective imitation of the explosion."

We learn by letters from Vera Cruz, that the
guerrillas were so numerous, that they had
overrun the State of Coahuila, Mexico, from
Mexico, from Guatemala, by the reactionary
party, have been completely ruined and driven
from the State. The whole country is now
in rebellion.

Ravard Taylor goes out to California in
the summer of the 8th of August, under engage-
ment of the San Fran. & Pacific Rail-
way Society to deliver four lectures in the
metropolis of the Pacific. He will be absent
about three months, and will lecture in
Sacramento and the principal towns in the
mining region.

The Cost of War.

The whole cost of war in the Black
Sea was 30,000,000 rubles, or 40,000,000 rubles; of
the former, 10,000 were killed, or died in the
service, and 20,000 were wounded and sur-
vived. Of the horses, only 5000 returned to
Russia, and 10,000 were lost. The loss of
4000,000 rubles is equivalent to 100,000
head of cattle.
